

CHAVY-CHOUET

PULIGNY-MONTRACHET

1^{ER} CRU
LES FOLATIÈRES

Les Folatières is located mid-way on a steep slope with poor soil where the bedrock can be seen peeking through.

Surface area: 0.3Ha

Age of the vines: 50

Varietal: Chardonnay

Planting density: 10000

Soil type: Marly limestone

Ageing: 12 months with 20% new barrels

Tasting notes: With impoverished soil and a good aspect, Les Folatières produces a rich and opulent wine, yet one that is full of vigor. It is charming in its youth, with notes of yellow-fleshed fruit and toasted bread, but is honed over time to become more airy and floral with great intensity.
